I am happy to know that the Flying Kick Sports Association Delhi (FKSAD), recognized by the Delhi Olympic Association, is organizing the Delhi State Level Flying Kick Sports Women's "Martial Arts" Championship 2024 on 31st August to 01st September 2024 at Kirti Nagar Sports Complex, New Delhi. As I know this association is specially working for the Women Empowerment in Martial Arts which is very useful for the purpose of Physical Fitness and Self-Defence. I hope this championship will encourage more women participations in the field of Martial Arts.

My best wishes to all players, Organizing Committee and Delhi Association for this Championship.
